WE COME TO YOU

VETERAN-OWNED MOBILE TRUCK REPAIR — CARB TESTING, DOT INSPECTIONS, TRACTOR

WHAT WE DO

Comprehensive Fleet Services

From roadside emergencies to scheduled maintenance, we keep your fleet moving with certified expertise and fast response times.

CARB Testing

Clean truck CARB compliance testing performed on-site or at your location. Fast, reliable, and certified.

DOT Inspections

Certified DOT inspections to keep your vehicles compliant and road-ready at all times.

Tractor Regeneration

DPF and exhaust system regeneration services to restore full engine performance and reduce emissions.

Engine Diagnostics

Advanced diagnostic scanning to identify and resolve engine issues fast, right at your location.

Oil Change

Battery & Electrical

Oil Change

Fleet oil changes with commercial-grade lubricants, done at your location to minimize downtime.

Electrical Repair

Full electrical diagnostics and repair for trailers, trucks, and heavy commercial equipment.

Battery Service

Battery testing, replacement, and charging system service for all commercial vehicles.

Brakes

Air and hydraulic brake inspection, adjustment, and full replacement to keep you safe.

Steering & Suspension

Suspension alignment and steering component repair for stable, safe handling on the road.

Transmission

Transmission diagnostics, fluid service, and repair for all commercial truck types.

Welding

On-site welding services for structural repairs, frame work, and custom fabrication needs.

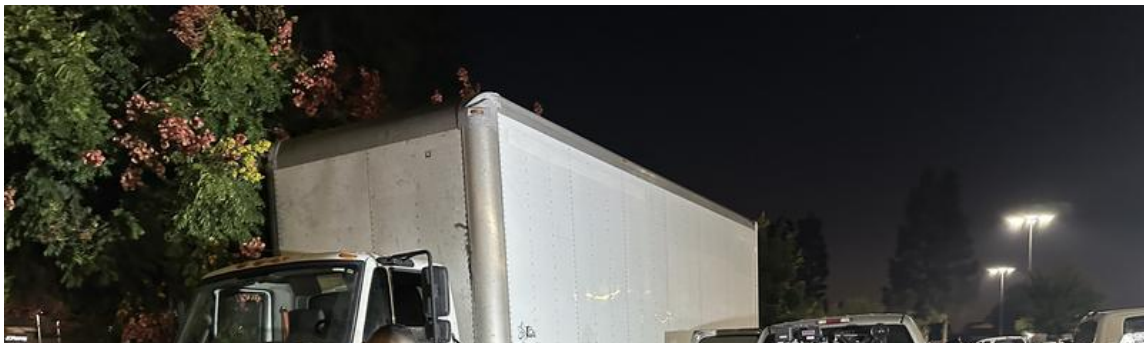

Mobile & Roadside

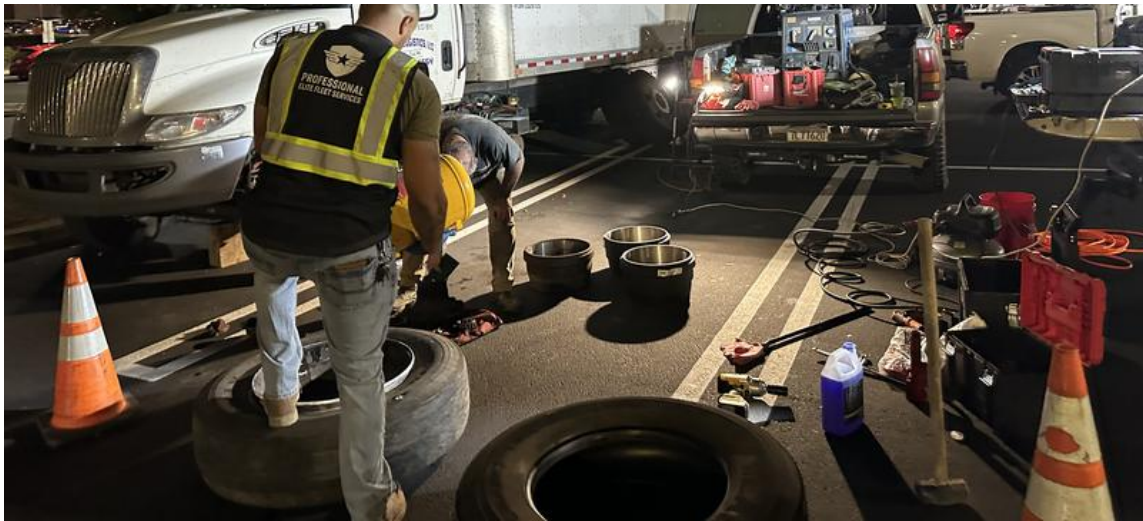

We come to you — roadside, at your yard, or wherever your truck needs us. Available 24/7.

OUR WORK

See Us In Action

CUSTOMER REVIEWS

What Our Clients Say

Real feedback from drivers and fleet operators across Southern California.

4.9 
Based on Google Reviews
Montclair, CA

"He arrived quickly to my location, did the test and gave me a good price!"

— GOOGLE REVIEWER

"Fast, professional, and knowledgeable. Got my truck back on the road the same day. Highly recommend for any fleet owner."

— GOOGLE REVIEWER

"Great mobile service — came to our yard and completed all the DOT inspections without us losing a single day of operation."

— GOOGLE REVIEWER

ABOUT US

Built on Service & Integrity

Professional Elite Fleet Services is a veteran-owned mobile truck repair and fleet maintenance company based in Montclair, CA. We proudly serve Los Angeles and surrounding areas with certified, fast, and reliable services.

Our team specializes in CARB testing, DOT inspections, tractor regeneration, engine diagnostics, welding, and full mobile repair — bringing professional-grade service directly to your location, 24 hours a day.

Whether you're a solo owner-operator or managing a large commercial fleet, we deliver the honest, expert service that keeps your business moving and your trucks compliant. Call us for **discounted fleet accounts**.

VETERAN OWNED & OPERATED

Serving LA & Beyond

Based in Montclair, CA — we travel to your location anywhere in the Los Angeles and Inland Empire region.

Open 24 Hours

Breakdowns don't wait for business hours. Neither do we. Available around the clock, every day of the week.

Certified & Compliant

Certified for CARB testing and DOT inspections – keeping your fleet legally compliant and running efficiently.

Discounted Fleet Accounts

Call (661) 547-9926 to set up a discounted fleet account and save on all your maintenance needs.
